HELP KEEP LUNCH LINES SHORT - On minimum days, students are not required to eat lunch. To help keep lunch lines shorter, escort ONLY those students who would like to eat lunch to the lunch lines. Those students who choose not to eat lunch may be dismissed directly to the playground.

PHYSICAL EDUCATION – Since there is no scheduled recess on minimum days, teachers are encouraged to schedule physical education before their scheduled lunch. Teachers must stay on the playground with their children; however, they may take a quick restroom break if needed, as long as they have a partner supervise their class. Teachers should conduct **organized physical education lessons, rather** than allowing students “free time” physical education.

***KINDERGARTEN LUNCH & DISMISSAL** – ALL kindergarten students will eat their lunch at 11:00 teachers will supervise; then will escort them back to their regular classrooms and dismiss their own students. The **AM kindergarten** students will eat their lunch with their teacher’s supervision and help with dismissal in the MPR. **Teacher lunch begins at 11:20am** after ALL kinders are dismissed. **Revised 5/22/17**
